SUPERB TENT
TASTE COMES FROM DETAILS

ABOUT SUPERB

Superb Tent Co.,Ltd is one of the market leaders in design, manufacture and supply of Aluminium-PVC tents in China. The company's head office and production facilities are located at Foshan City (hometown of hardware), The city that supplies 80% of PVC materials & aluminium in China. In 2022, set up a new research and development base in Yunfu city which up to 70000sqm to meet the growth production capacity.

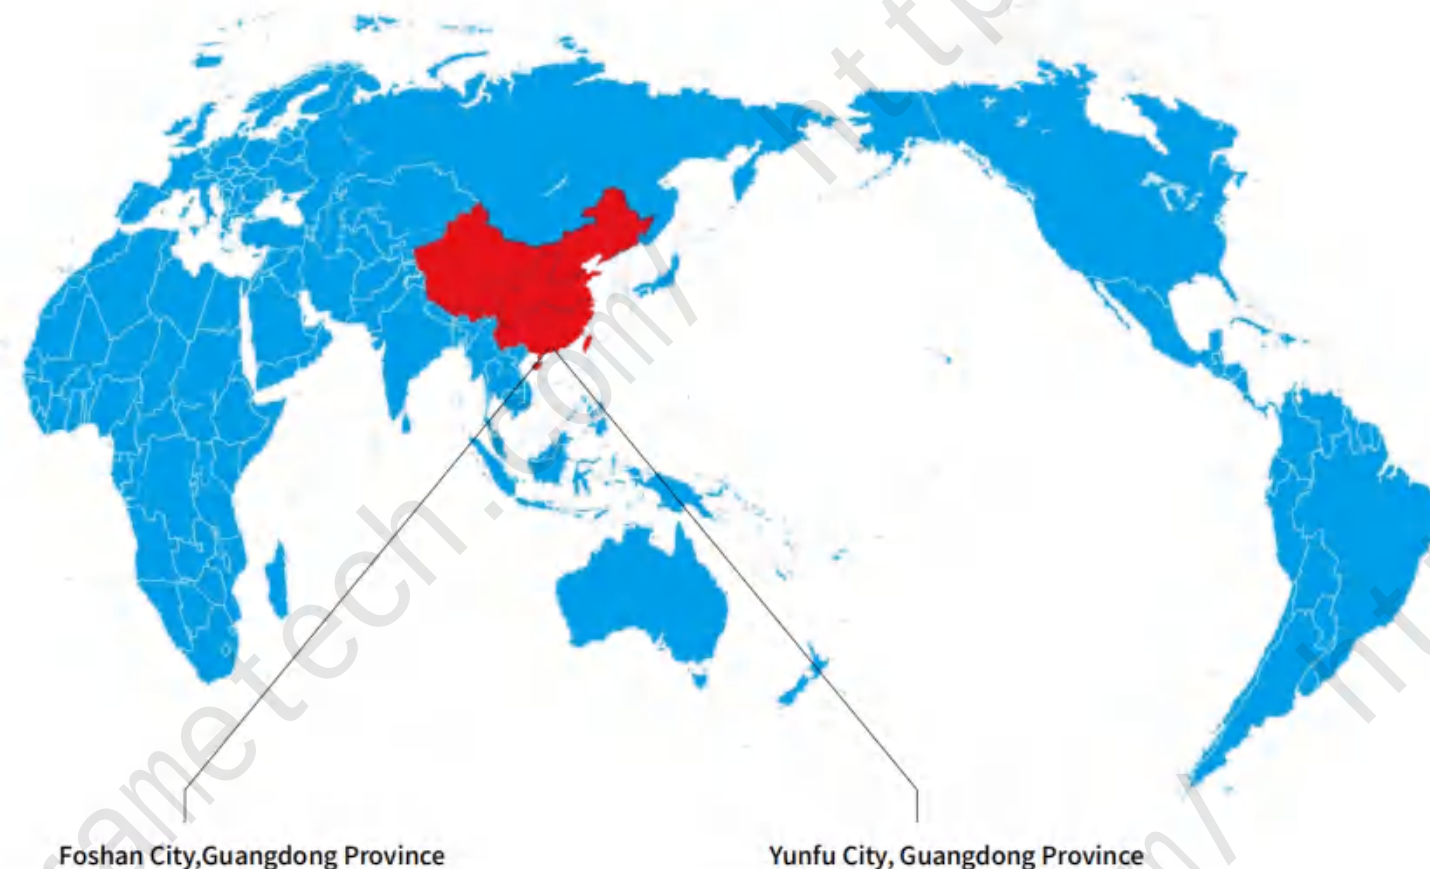

Main products of Superb Tent are modular aluminum movable tents with clear span from 3 meters up to 60 meters on standard A frame shape tents, arcum tents, curve tents, pagoda tents, multi-sided and high peak tents combinations tents, polygon tents, double decker, peak marquee tents, pole tents and customized tents.

Professional personnel of Superb Tent are all high-technique and innovative design oriented, their expertise and abundant experience since 1997 guarantees the designing manufacturing, renting and selling organized by Superb Tent are efficient, outstanding and beyond comparison in the whole industry, Companies products have been exported all over the world, including North America, South America, Europe, Middle East, Africa, Asia and etc.

Superb Tent's production line uses advanced machines like European CNC machine, American automatic hot-welding machines and other advanced machines to improve production efficiency and quality, to maintain a monthly production over of 100000 m².

Focused on details of improvements and strict quality control management in accordance with ISO9001, Superb Tent works to maximize all clients satisfaction. The principle of Superb Tent is: Taste comes from details and Innovation improves status.

Superb Tent is looking forward to cooperate with you to make greater achievements in the future!

Introduced foreign advanced equipment into production line, realized semi-automated production.

High efficiency, high precision, stable performance.
